

# Between Trapezes

TEMPO: 120

Intro: E C#m A

E B A  
Every day we have decisions to make  
E B A  
For some there's a risk they have to dare to take  
E B A  
Ever been tired of always being contained  
C#m B A  
Desire to leap into a wide open space  
C#m B A  
*There's a place of new opportunity, a place of possibility*

E  
***I'm calling it*** Living in between trapezes  
B  
Though this jigsaw doesn't have all the pieces  
F#m A E  
Sometimes you gotta let go of the need to know  
A2 E B  
***It's only when*** Living in between trapezes, you defy gravity  
F#m A E (C#m A)  
**And you really learn to fly, cause you are free!**

E B A  
Leaving behind the safety of what was  
E B A  
Takes inner strength and it take guts  
E B A  
It's never easy to embrace the unknown  
C#m B A  
But it's a fear we gotta overcome  
C#m B A  
*There's a place of new opportunity, a place of possibility*

E B C#m A  
Living in between, living in between, living in between oh (repeat)  
E B F#m A  
Living in between trapezes, you defy gravity, and you really learn to fly  
E B C#m A E  
Cause you are free, free to fly, free to fly Oh,..... *Living in between trapezes*
